# 21<sup>st</sup> Century Cures Act Requirement

## Review of Adopted Standards

- Beginning 5 years after the date of enactment [*December 13, 2016*] of the 21<sup>st</sup> Century Cures Act and every 3 years thereafter, the National Coordinator shall convene stakeholders to review the existing set of adopted standards and implementation specifications and make recommendations with respect to whether to-
  - (A) maintain the use of such standards and implementation specifications; or
  - (B) phase out such standards and implementation specifications.
- Reference: [42 U.S. Code § 300jj–13 - Setting priorities for standards adoption](#)

# Adopted Standards Task Force 2022 Charge

Review the existing set of ONC adopted standards and implementation specifications and make recommendations to maintain or phase out such standards and implementation specifications, as required by 42 U.S. Code § 300jj–13 (*Setting Priorities for Standards Adoption*). The current set of ONC adopted standards and implementation specifications are maintained on the [ONC Standards Hub](#).

This charge does not seek recommendations for new standards and implementation specifications for ONC to adopt through rulemaking.
