Potential Topics for the HITAC Annual Report for FY22

- From HITAC members' comments to date for FY22 (cont.)
  - Potential new target area: Health Equity
    - Health equity was part of the Public Health, Interoperability, and Patient Access to Information target areas in the FY21 report.
    - The Cures Act allows it to become an additional target area for the HITAC, even if cross-cutting with the other target areas.
    - Subtopics could include:
      - Health equity by design
      - Inequities in data collection
      - Electronic exchange of health equity and social determinants of health (SDOH) data
      - Algorithm bias

Potential Topics for the HITAC Annual Report for FY22

- General questions for discussion by HITAC members

  - Are there any questions or comments about the draft topics list?

  - What other topics should be added to the draft topics list?

  - Should any topics be removed from the draft topics list?

Thank you!
